Challenge #1

Inspired by Book 2!

Tower of Power

An awesome activity that will encourage your kids to problem solve and build! A STEM challenge that is fun and engaging for kids of all ages. Have fun with your kids while promoting **fine motor skills and coordination**.

For Ages: 4-8

Time Needed: 30 min.

Challenge Objective

The objective of this challenge is to build a tower as tall as possible and then set your toy on top. As long as the character does not fall off, we call it a success!

Can you build the highest tower?

What You'll Need

- Stackable cups
- Popsicle sticks (or cut up pieces of cardboard)
- A small lightweight toy
- Encourage children to use ALL materials!

Don't forget to **SHARE A PICTURE** of your tower
